

Boxes of Love Project

Nov. 25 - Dec. 20

Simple Box is giving back this Christmas by putting together Boxes of Love for precious babies and children entering foster care in Washington and Oregon.

Each Box of Love is filled with the basic necessities as well as Books/Toys/etc. that remind them that they are Loved and Cared for.

HOW TO GIVE:

Bring your new, unused items to your local Simple Box and other community drop-off locations.

Who Gets a Box?

These tangible items go directly to the child - if they move to a new foster home or back with their family, the box goes with them.

Why New Items Only?

For many children in foster care, these are the first brand new items they have ever received. We want to give them the dignity and joy that comes with receiving a brand new item, just for them.

What is needed most?

Clothing sets (top & bottom go together) is the biggest current need.
