

SpotOn Register Lite

All the power of a full point-of-sale
in a compact design

Boost Efficiency and Connect with Customers Like Never Before to Accelerate Revenue Growth

SpotOn Register Lite packs all the power of a full-sized point-of-sale into a sleek, compact package. It's fast, easy to use, and has every feature you need to run and grow your business more efficiently than ever before.

- ✓ **Two screens to keep the checkout line moving quickly.** Ring up customers fast from your custom product catalog, while customers use their own screen to pay with their method of choice.
- ✓ **Back office controls to boost efficiency.** Easily manage employees, track inventory, and get real-time data on what's selling and what's not with our powerful reporting.
- ✓ **Keep customers coming back.** Capture customer emails during checkout with our integrated Marketing or Loyalty to easily stay in touch and incentivize repeat visits.

Powerful Features to Make Your Job Easier

- ✓ Built-in EMV, Apple Pay, and Android Pay enabled card reader with swiper for gift cards
- ✓ 8" merchant-facing touchscreen for lightning-fast checkouts, plus deal and loyalty reward functionality
- ✓ 4.3" customer-facing display for order confirmation, tip options, and signature capture
- ✓ Full product catalog and inventory management
- ✓ Back office controls with employee management tools and comprehensive reporting
- ✓ Built-in receipt printer with custom receipt options, plus external cash register
- ✓ Full integration with SpotOn Marketing and Loyalty via external tablet
